Re: Ellsworth Industrial Park Site
Downers Grove, Illinois

Dear Mr. Brusslan:

I am enclosing a copy of a chart summarizing the results of residential well sampling conducted by Illinois EPA in unincorporated Downers Grove. This is in partial response to your April 26, 2005, subpoena, which pursuant to 40 C.F.R. § 2.405 is being processed as Freedom of Information (FOIA) Request RIN 1196-05. This document is being provided to you based on your representations that: (1) you are the attorney representing the class that includes all of the residences in the Class Area as defined in your request; (2) you will protect the privacy interests of all members of that class respecting these data and will not disclose it to other parties without the consent of your clients.

This will also confirm that: (1) you will arrange at a later date to come to U.S. EPA's offices to review all other U.S. EPA documents responsive to your request; and (2) you intend to schedule that file review for a date later than the May 27, 2005, due date for your FOIA. Please confirm in writing that you consent to this extension of time for the remainder of the response to your request. That written confirmation should be sent at your earliest convenience to Fred Gage, Documents Management Section, Superfund Division (SRC-7J), 77 W. Jackson Blvd., Chicago, Illinois 60604-3590. Please contact Mr. Gage at (312) 353-3167 to arrange a date for the file review.

Thank you for your consideration.

Sincerely yours,

Thomas J. Krueger
Associate Regional Counsel
